

Wouldn't it be nice to have your family and friends living nearby?

Summer barbeques, block parties, nearby babysitters, or just having grandma and grandpa down the street.

These are just a few of the reasons many people enjoy establishing their extended family or group of friends in their own neighborhood.

Or maybe you have a friend who is looking for a home in a different area. With over 20 locations throughout the south and west suburbs, Hartz has a new home, town home, or condominium for everyone.

Each month happy Hartz homeowners refer more friends and family to our new home communities than any single outside advertising source.

As one of our valued customers, we invite you to become a Hartz Ambassador by referring a friend or family member to Hartz and receive a special reward as a token of our appreciation.

Give your family and friends the same opportunity you had to own a beautiful, quality Hartz home and live in a great community. Plus, they can have you as their neighbor!!

Become a Hartz Ambassador.

AND

You will receive \$500 if you refer someone who purchases and closes on a home at any Hartz or P.D. Hartz new home community.

And if you refer more than one Hartz or P.D. Hartz purchaser within one year, you will receive \$1,000 for each subsequent referral.

All you have to do is complete this referral form and bring it in with your friend or family member to the Hartz information center on their first visit. You can show them around and at the same time register for your Ambassador Reward.

Or just complete this referral form and have your friend or family member give it to our new home counselor on their first visit to register for your referral.

To be eligible, the referral must be made on their first visit to the information center. If the new buyer has any prior registrations at the same Hartz community, no reward will be paid.

Eligibility for the increased reward for subsequent referrals will expire one year to the date of the check on the issued reward of the first referral. For additional referrals-use forms available at Hartz communities.

This program applies to any referrals submitted after March 1, 2002. Ambassador checks will be issued after the closing on the referred buyer's home. Any Hartz buyer is eligible, even if they haven't closed on their own home. Referral reward is not valid and can not be used in conjunction with any other discounts, commissions or offers. Ambassador must be the original Hartz purchaser and may be required to show proof of purchase.
